

LOM PRAHA s.p. Tiskařská 8, 100 38 Praha 10 Malešice Zápis v obchodním rejstříku Městského soudu v Praze, oddíl ALX, vložka 283

SERVICE LETTER No.:

0002/2004

- *Applies to :* Users of engines M332 and M337 and organisations approved for maintenance under regulation JAR-145.
- *Reason :* Cancellation of bulletins M332/64 and M337/66.
- Measure : Validity of bulletins M332/64 and M337/66 issued in 1970 is cancelled. The provision of these bulletins has been implemented at the manufacturer of fuel injection pumps LUN 5151 and LUN 5152, within GO pumps, and at users of engines M332, M337 during 34 years of bulletins validity. For the above reason the validity of the above-specified bulletins is no longer substantiated.
- Costs : No costs will originate
- Validity : As of the date of issue
- In Prague on: 26 August 2004
- Prepared by: Jaroslav Böhm

Approved by :

Ing. Pavel Pánek Head of the Design Organisation
