INFORMATION BULLETIN

#

M462-RF/17

Page 1 of 1

Scope: Corrigendum in the “Spare parts catalogue of M462-RF” – German version

Justification: Specification of assembly numbering in reply to foreign customer claim.

Provisions: In the German version of the M462-RF engine spare parts catalogue, issued in 1968, subgroup 32 – Ventilsteuerungsgetriebe:

- 1) correct the assembly number “14-707-02” under the item 38 “Überwurfmutter” to the correct number “14-707-03”.
- 2) correct the assembly number “14-707-03” under the item 39 “Dichtring” to the correct number “14-707-02”.

Remark: This bulletin has been issued only in Czech and German versions.

Given in Prague on 12/01/1972
